

Pennies In Your Pocket LLC Consignment Agreement

Your Partner in Consigning! Here's How it works:

1. When you bring your items in, we will select what our customers will buy. We price all items and display on a first come first served basis. This may take up to one week to price and display.
2. You receive half of the selling price. Stop in for any money owed you on any Friday or Saturday.
3. We display your items for 90 days. The selling price is reduced by 10% after 30 days, 20% after 60 days, and 30% after 90 days.
4. When you bring items in you have two options:
 - A. "Drop & Run" (Mon-Thur 10-7 and Sat 10-7 furniture only) means drop off UP TO 25 ITEMS and leave. We will select items to consign and add them to your account. These are considered "thank yous." Any items not selected for consignment are called "no thank yous" and will be donated to charity.
 - B. "Drop & Stay" (Mon, Tue, Thu 10-7) is for consignors who do not want their "no thank yous" to go to charity. We will quickly go through your MAXIMUM OF 25 ITEMS and immediately return for you to take with you. We do not store items and call you for pick up. We reserve the right to donate broken or dirty items once they have been accepted. For example, sometimes a purse on the outside looks great, but the inside is in poor condition. In addition, a piece of china may have an unnoticed chip. Please review your items carefully before bringing in. Items must be clean and free of grime, cracks, chips and in season.
5. If you would like to retrieve any unsold items, please do so by the 90th day indicated as "Pickup Date" on your item list. You must locate your items and remove them from display. We do not call you or help you find your items when your pick up date arrives. If you do not pick up by your expired date, your items may be donated to charity. We are not responsible for loss, stolen or damage of items placed for consignment. Holiday items must be picked up within 7 days after holiday is over. Example: Christmas items must be picked up by Jan. 1 or they will go to charity. WE NO LONGER RETURN ANY ITEMS PRICED AT \$25 OR LESS.
6. Consignor represents and states that he/she is the owner of any goods placed for consignment.
7. A buyer's fee will be added to the price tag of each item. That fee is passed on to the buyer and will not be reflected on your inventory list.
8. The fee to set up a Consignor's account is \$12 and is due at the time of registration and each year on your anniversary date.

I understand and agree to the terms of this agreement. Policies in this agreement may be changed as needed prior to end of your years consignment.
